We have performed our limited assurance engagement in respect of the conduct of the proposed securitisation scheme by Capital Harvest Finance (RF) Limited (the “issuer”).

The subject matter comprises the conduct of the proposed securitisation scheme as set out in the Programme memorandum dated 30 November 2021 (the “Programme Memorandum”).

For purposes of our limited assurance engagement the terms of the relevant provisions of the Securitisation Exemption Notice (Government Gazette 30628 of 1 January 2008) issued by the Registrar of Banks (the “Notice”), as required by paragraphs 15(1)(a) and 16(2)(a)(vii) of the said Notice comprise the criteria by which the issuer’s compliance is to be evaluated.

PKF Cape Town is a member firm of the PKF South Africa Inc. and PKF International Limited family of legally independent firms. Neither PKF Cape Town nor PKF South Africa Inc. accept any responsibility or liability for the actions or inactions on the part of any other individual member or correspondent firm or firms.

Our Independence and Quality Control

We have complied with the independence and other ethical requirements of the *Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors* (IRBA Code), which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour. The IRBA Code is consistent with the corresponding sections of the international Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants (including International Independence Standards)*.

The firm applies the International Standard on Quality Control 1 and accordingly maintains a comprehensive system of quality control, including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Auditor's responsibility

Our responsibility is to express our limited assurance conclusion to the Issuer's directors on the compliance of the conduct of the proposed securitisation scheme, as set out in the Programme Memorandum, with the relevant provisions of the Notice.

We conducted our limited assurance engagement in accordance with the International Standard on Assurance Engagements (ISAE) 3000, Assurance Engagements Other Than Audits or Reviews of Historic Financial Information, issued by the International Auditing and Assurance Standards Board. That standard requires us to plan and perform our limited assurance engagement to obtain sufficient appropriate evidence on which to base our limited assurance conclusion.

We do not accept any responsibility for any reports previously given by us in any financial information used in relation to the Programme Memorandum beyond that owed to those to whom those reports were addressed by us at the dates of their issue.

Summary of work performed

We have performed our procedures on the conduct of the proposed securitisation scheme as documented in the Programme Memorandum prepared by management.

Our procedures were determined by paragraphs 1, 2, 4, 14, 15 and 16 of the Notice.

Our evaluation included performing such procedures as we considered necessary which included:

- Review of the Programme Memorandum; and
- Review of the other Transaction Documents that we consider necessary for expressing our conclusion.

Our limited assurance engagement does not constitute an audit or review of any of the underlying information conducted in accordance with International Standards on Auditing or International Standards on Review Engagements and accordingly, we do not express an audit opinion or review conclusion on the underlying information.

We believe that our evidence obtained is sufficient and appropriate to provide a basis for our limited assurance conclusion.

In a limited assurance engagement, the evidence gathering procedures are more limited than for a reasonable assurance engagement and therefore less assurance is obtained than in a reasonable assurance engagement. Accordingly, we do not express a reasonable assurance opinion about whether the conduct of the proposed securitisation scheme, as set out in the Programme Memorandum, will comply with the relevant provisions of the Notice in all material respects.

Conclusion

Based on our work described in this report, nothing has come to our attention which indicates that the conduct of the proposed securitisation scheme is not in compliance, in all material respects, with the relevant provisions being paragraphs 15(1)(a) and 16(2)(a)(vii) of the Notice.

Restriction on use and distribution

Our report is presented solely in compliance with the relevant provisions of the Notice for the purpose set out in the first paragraph of the report. It is intended solely for the use of the directors of Capital Harvest Finance (RF) Limited to submit to the Registrar of Banks and for inclusion in the applicable pricing supplement.
